Loganville Borough Mayor's Report – October 2021

Issues/Concerns/Requests: On Thursday, September 23, I was contacted by a Borough resident about a storm drain hazard on Parkview Drive. I notified appropriate Borough Council (BC) members and the issue has been resolved.

Mayor Report Summary:

- Pennsylvania State Police (PSP) Report: none received
- District Court Reports: none received
- Emergency Management (EM):
 - Fire Police Requests: none received
 - Weather Emergencies:
 - York County Office of Emergency Management (OEM) provided multiple National Weather Service (NWS) weather briefs for Hurricane (H)/Tropical Storm (TS) Ida. The NWS Advisories were provided to BC after receipt.
 - EM Coordinator (EMC):
 - On Thursday, September 1, York County OEM requested ICS 209 reports from all county EMCs for H/TS Ida. Loganville's report was submitted thereafter and BC was copied.
 - On Tuesday, September 7, York County OEM requested damage cost estimates for submission to Pennsylvania EM Agency. As reported in our ICS 209, no damages were reported, so no cost estimates were submitted. Nonetheless, York County incurred damages elsewhere and a disaster declaration was issued.
- Meetings/Training: York County OEM Quarterly EMC Training will be held at the Department of Emergency Services, 120 Davies Drive, York, on Wednesday, October 6th from 6:30-9:00 pm. For this quarterly session, I will be participating virtually.
- Correspondence: Nothing Significant To Report (NSTR)
- Miscellaneous: NSTR

Respectfully submitted,
