

2025-2026 Loganville Borough  
Recycling & Trash Collection Calendar

Recycling and trash will be picked up every week on Friday. If your service day falls on or after a holiday, there may be a one-day delay.

Loganville Borough  
Recycling & Trash  
Service Guide

2025-2026

Sustainability in Action

Dear Loganville Borough Residents,

Service for Loganville Borough is 1 cart for recycling and 1 cart for trash. All residents were originally given a 65-gallon recycling cart and 95-gallon trash cart. There is also an option for a 35-gallon trash cart for residents who don't generate as much trash. **Service is for cart contents only, for both recycling and trash, meaning that all items must be inside the cart.** If you need an additional cart, you must contact the Borough to do that, as they do the billing and will have to adjust your billing to account for the second cart.

When placing your carts out for service, make sure they are at least 3 feet apart and away from stationary objects, like mailboxes and cars, as we use automated trucks to service these carts. Hinges on the carts should be placed toward the house, so the part that opens is toward the road. This ensures the carts dump properly and get completely emptied.

**Recycling:** 1 65-gallon cart for recycling, cart contents only, or option for a smaller 35-gallon cart for recycling, cart contents only. **Trash:** 1 95-gallon cart for trash, cart contents only, or option for a smaller 35-gallon cart for trash, cart contents only.

Acceptable Recycling Items

Plastic bottles & jugs with a

Paper, junk mail, magazines, paperboard & phone books

Cardboard

Wax-coated cardboard

Aluminum & steel cans

Glass bottles & jars
